

## Psychology Faculty Research Interests

### Applied Social Psychology Faculty

[Brown, Bruce L.](#) -

Mathematical Psychology and Statistics; Theory and Philosophy; Applied Social Psychology

[Holt-Lunstad, Julianne](#) -

Stress; Personality; Health Psychology; Behavior Medicine Research

[Ridge, Robert D.](#) -

Interpersonal Behavior; Social Influence; Attitudes

[Spackman, Matthew](#) -

Philosophical and Historical Approaches to Emotion; Attribution of Moral and Legal

Responsibility for Emotions; Quantitative and Experimental Methods

[Yamawaki, Niwako](#) -

Sexism and Gender Roles; Violence against Women; Help-Seeking Attitude; Cross-Cultural Research; Individualism/Collectivism

### Behavioral Neurobiology Faculty

[Allen, Mark D.](#) -

Cognitive Neuroscience; Functional Magnetic Resonance Imaging; Cognitive Neuropsychology; Psycholinguistics

[Bigler, Erin D.](#) -

Neuropsychology; Neuroanatomy; Neuroimaging

[Bloch, George J.](#) -

Physiological Psychology; Neuroendocrinology

[Flom, Ross](#) -

Attention and Cognition in Infants

[Hedges, Dawson W.](#) -

Psychiatry; Neuroscience; Neuroimaging, and Neuroendocrinology

[Higley, James Dee](#) -

Addictions; Psychobiology of Personality and Psychopathology; Genetics; Primate Behavior

[Hopkins, Ramona O.](#) -

Cognitive Neuroscience; Neurobiological Approaches to Cognition; Neuroimaging; Brain Imaging; Health Related Quality of Life

[South, Mikle](#) -

Neural Mechanisms of Developmental Disabilities; Diagnostic Issues in Autism Spectrum Disorders; Emotion Regulation

[Steffensen, Scott C.](#) -

Neuropharmacology; Neuroscience Center

### Clinical Psychology Faculty

[Baldwin, Scott](#) -

Psychotherapy Process and Outcome; Couples Therapy; Applied Statistics; Research Design;

## Program Evaluation

[Barlow, Sally H.](#) -

Theory and Training in Individual and Group Therapy; Culture and Gender Diversity; Advanced Objective Assessment

[Burlingame, Gary M.](#) -

Group Therapy Process - Outcome; Research Design; Psychometrics

[Carpenter, Bruce N.](#) -

Psychological Assessment; Psychopathology; Stress and Coping

[Cleavinger, Howard](#)

[Lambert, Michael J.](#) -

Research in Psychotherapy Process and Outcome

[Simon, Witold](#)

[South, Mikle](#) -

Neural Mechanisms of Developmental Disabilities; Diagnostic Issues in Autism Spectrum Disorders; Emotion Regulation

[Spangler, Diane L.](#) -

Depression; Cognitive Theory and Therapy; Eating Disorders

[Steffen, Patrick R.](#) -

Behavior Medicine Research; Stress; Personality; the Development of Disease

[Warren, Jared S.](#) -

Clinical Child Psychology

[Wells, M. Gawain.](#) -

Psychotherapy, Clinical Child Psychology; Child and Adolescent Assessment

## Developmental Psychology Faculty

[Flom, Ross](#) -

Attention and Cognition in Infants

[Hardy, Sam](#) -

Adolescent and Adult Development; Moral Development; Moral Personality; Religiosity; Self and Identity; Personality; Agency; Theory and Philosophy

[Higley, James Dee](#) -

Primate Behavior; Social Development; Parenting; Personality; Developmental Psychopathology; Genetics

[South, Mikle](#) -

Neural Mechanisms of Developmental Disabilities; Diagnostic Issues in Autism Spectrum Disorders; Emotion Regulation

[Warren, Jared S.](#) -

Clinical Child Psychology

[Wells, M. Gawain.](#) -

Psychotherapy, Clinical Child Psychology; Child and Adolescent Assessment

## Pedagogy Faculty

[Clayton, Claudia](#)

[Miller, Harold L. Jr.](#) -

Experimental Analysis of Learning and Motivation; Behavior Analysis of Choice and Decision Making; Self-Control and Altruism; Evolutionary Psychology; Teaching of Psychology; Education Reform

## Theoretical and Philosophical Psychology Faculty

[Brown, Bruce L.](#) -

Mathematical Psychology and Statistics; Theory and Philosophy; Applied Social Psychology

[Gantt, Edwin E.](#) -

Theoretical/Philosophical; Hermeneutic-Phenomenological Approaches to the Psychological Study of Empathy and Altruism; Qualitative Research Methods

[Slife, Brent D.](#) -

Theory and Philosophy of Psychology/Clinical; Theoretical Underpinnings of Psychotherapy; Systems Approaches to Therapy

[Williams, Richard N.](#) -

Logical Learning Theory; Theoretical and Philosophical Foundation of Psychology; Phenomenological Psychology; Personality theory, LDS Perspectives
