**VITA OF
MICHAEL J. LAMBERT**

PERSONAL DATA

Address: 272 TLRB, Brigham Young University, Provo, Utah 84602
Work: 801-422-6480, Home, e-mail:
michael_lambert@byu.edu

CURRENT POSITION

Professor & Associate Chair, Department of Psychology, Clinical Psychology (APA approved), **Endowed Chair**, College of Family, Home and Social Sciences, Brigham Young University, Provo, Utah.

EDUCATIONAL HISTORY

Degrees: B.S., Psychology, University of Utah, 1967.
M.S., Counseling Psychology, University of Utah, 1968.
Ph.D., Counseling Psychology, University of Utah, 1971, (an APA approved program).

Major Professor: Ernst G. Beier, Ph.D.

Thesis Title: Therapy Supervision Process: A Comparative Study

Awards: **National Institute of Health Fellowship** 1968-1971.

Karl G. Maeser Research Award. Awarded by Brigham Young University to the outstanding researcher among the Faculty at the University, 1998-1999.

Academic Excellence Award, in recognition of outstanding achievements in research, by the Utah Psychological Association, 1999.

Academic Vice-President's Award for Innovative Research, 1999-2001, 30K

Distinguished Psychologist Award in recognition of outstanding accomplishments and significant lifetime contributions to the field of psychotherapy by the Division of Psychotherapy, **Division 29, APA**, 2001

The Heart and Soul of Change Award for Outstanding Research Achievement in Psychotherapy. Awarded at the First Annual Heart and Soul of Change Conference. Toronto, Canada, June, 2002.

Endowed Chair, College of Family, Home and Social Sciences, 2002- 2009.

Martin B. Hickman Outstanding Scholar Award-2002-2003

PacifiCare Behavioral Health asked to have my name associated with cash awards and recognition for superior clinical practice: The **Michael J. Lambert Award for Excellence in Clinical Practice**.

Distinguished Career Research Award from the Society for Psychotherapy Research, Weimer, Germany, 2003

PROFESSIONAL EXPERIENCE

Visiting Professor, School of Applied Psychology, Griffith University, Brisbane, Australia, Fall, 2004

Visiting Distinguished Professor, Wilford Hall Medical Center, San Antonio, Texas, May, 2000

Research Consultant (Full Time Sabbatical leave) Human Affairs International, July-December, 1995.

Research Consultant, Intermountain Health Care, Salt Lake City, Utah, January 1993-1997.

Visiting Scholar, Department of Psychology, Catholic University Leuven-La-Neuve, Belgium, July-December, 1989.

Visiting Scholar, Department of Psychology, Social and Applied Psychology Unit, Sheffield University, Sheffield, England. January-June, 1984.

Associate Professor, Department of Psychology, Clinical Training Committee, (an APA approved program), September, 1976-1982.

Research Associate, Institute for Studies in Values and Human Behavior and Department of Psychology, Brigham Young University, September 1977 - August 1978.

Psychologist, University Counseling Center and Assistant Professor of Psychology, Brigham Young University, September 1974 - August 1976.

Designated Examiner, State of Utah, Civil Commitment proceedings (assessment) 1976 - 1978.

Visiting Assistant Professor, University of Houston, Houston, Texas, Summer 1975.

Instructor, Weber State College, Spring, Fall, Winter 1975.

Psychologist, University Health Center and Assistant Professor of Psychology, Brigham Young University, August 1971 - August 1973.

Psychologist, Child Development Clinic, Primary Children's Hospital (child assessment) 1971-1974.

TEACHING EXPERIENCE

Graduate Ph.D. Programs

Clinical Supervision
Psychodiagnostics (Child Assessment)
Clinical Research Methods
Psychotherapy (Family, Group, and Adult)
Psychological Testing
& Assessment

Undergraduate Courses

Introductory Psychology
Adolescent Psychology
Abnormal Psychology
Personality Theory
Senior Seminar
Psychological Methods

TEACHING AWARD

Voted **Outstanding Teacher of the Year**: Psychology Department (1986-87) by graduating seniors.

CLINICAL EXPERIENCE (Private Practice)

Individual, marital, and group psychotherapy (30 + years)
Psychodiagnostic work with young adults and children (15 years)
Para-professional training with college students and Native American alcoholics (2 years)

LICENSED

Psychologist (State of Utah) 1971 - Present
Marriage and Family Therapist (State of Utah) 1975 - 2004

COMMUNITY / PROFESSIONAL SERVICE

General Vice-President/President Elect/ President/ Past President, Society for Psychotherapy Research, 2003-2007.

International Advisory Board, Counselling and Psychotherapy Research, British Association for Counselling

President/President Elect/Past President, Utah Psychological Association,
November 1990-July 1994

Member APA Accreditation Team, 1985-2004

Executive Secretary/Treasurer, Society for Psychotherapy Research, 1980-1984.

State of Utah, Psychology Licensing Board, 1979-1989

Executive Secretary/Treasurer, Utah Psychological Association, 1975-1980

Member, Board of Directors: Utah County Mental Health Association, 1975-1980

Member, Board of Directors, President, Alpine House (halfway house), 1975-1979

EDITORIAL RESPONSIBILITIES

Chair, Publication Board - Division 29, American Psychological Association. Oversee publication of Psychotherapy and Psychotherapy Bulletin, 2002
Associate Editor, Journal of Consulting & Clinical Psychology, 1996-2000
Editorial Board, Archives of Psychiatry and Psychotherapy, 1997-present
Editorial Board, In Session/Journal of Clinical Psychology, 2000-present

Editorial Consultant:

Psychiatric Services (editorial board) 1995-2001
Journal of Consulting & Clinical Psychology, 1977-1988 (editorial board), 1989-1995 (occasionally)
International Journal of Eclectic Psychotherapy, 1985-1995
Professional Psychology: Research and Practice, 1984-Present, Reviewer
Psychological Bulletin, 1980-1983
American Psychologist (occasionally)
Academic Psychology (occasionally)
British J. Clinical Psychology (occasionally)
Clinical Psychology Review (occasionally)
Journal of Nervous and Mental Diseases (occasionally)
Journal of Psychosomatic Medicine (occasionally)
Psychotherapy Research (occasionally)
Journal of Counseling Psychology (occasionally)

PROFESSIONAL AFFILIATIONS

American Psychological Association, 1971-Present
Western Psychological Association, 1971-Present
Society for Psychotherapy Research, 1973-Present

PAPERS/ PRESENTATIONS –

2007

Lambert, M. J. (December, 2007). **Invited Presentation.** Evidence for progress feedback and problem-solving for improving psychotherapy outcomes. Outcomes Measurement Advisory Committee-State of Michigan, Lansing, Michigan.

Lambert, M. J. (October, 2007). **Invited Presentation.** The future of psychotherapy research. Psychology Department, ZheJiang Science-Technology University, HangZou, China.

Lambert, M. J. (October, 2007). **Invited Presentation.** Children’s Hospital Clinical Training. HangZhou, China.

Lambert, M. J., (October, 2007). **Keynote Address:** The mechanisms of change in psychotherapy and implications for practice. Congress of the Center for Complex Systems, Health, & Neuroscience. Eggenburg, Austria.

Lambert, M. J., (October, 2007). **Invited Presentation:** Real-time monitoring in psychotherapy: An evidence-based approach for maximizing patient progress. Congress of the Center for Complex Systems, Health, & Neuroscience. Eggenburg, Austria.

Bailey, R.J., Lambert, M.J., Smart, D.W., Slade, K.L., Moreno, M., & Meibos, R.A. (2007, August). *Clinical support tools: A feedback strategy for intervention with failing clients.* Poster presented at the convention of the American Psychological Association, San Francisco.

Bailey, R., Lambert, M. J., Smart, D., Slade, K., & Moreno, M. (August, 2007). Paper in Symposium “Guiding evidence-based practice with outcome data”: Clinical Support tool feedback for enhancing treatment outcome. Presented at the Annual Meetings of the American Psychological Association. San Francisco, CA.

Wong, W., Hill, R., Kirshner, A., & Lambert, M. J., (August, 2007). Negative responders in psychotherapy: Dose-effect relationship and recovery rates for deteriorators. Poster Presented at the American Psychological Association, San Francisco, CA.

Lambert, M. J., (August, 2007). **Invited colloquium.** The use of “Lab Tests” for enhancing treatment effects. Department of Psychology, Griffith University, Brisbane, Australia.

Lambert, M. J. (August, 2007). **Keynote Address.** Implications of psychotherapy research for supervision. Presented at the 2nd Annual Queensland Supervisors Conference. Queensland University, Brisbane, Australia.

Lambert, M. J. (August, 2007). **Invited colloquium.** Advances in intervening when therapy goes wrong. Presented to the Department of Psychology, Queensland University of Technology, Brisbane, Australia.

Lambert, M. J. (June, 2007). **Discussant.** “Positive-patient feedback: A neglected aspect of psychotherapeutic process. Annual meetings of the Society for psychotherapy Research, Madison, Wisconsin.

Lambert, M. J. (June, 2007). **Discussant.** Treatment outcome and rupture events in psychotherapy. Annual meetings of the Society for Psychotherapy Research, Madison, Wisconsin.

Lambert, M. J. (June, 2007). **Invited Discussant.** The future of Psychotherapy Research. Department of Psychology, University of Jyvaskyla, Jyvaskyla, Finland.

Lambert, M. J. (May, 2007). **Invited Symposium.** Simple technologies to improve psychotherapy. Presented at the Annual Meetings of the American Psychiatric Association, San Diego, CA.

Lambert, M. J. (April, 2007). **Invited presentation.** The use of “Lab Test” results for improving Outcome: Adding science to art. Presented at the Generations Conference, Salt Lake City, UT.

Lambert, M. J. (March, 2007). **Invited keynote Address.** The value of monitoring the effects of psychological services for mental health systems. Congress De Black Box Geopend, Rotterdam, Netherlands.

Lambert, M. J. (March, 2007). **Invited Workshop.** A system to deliver progress feedback and problem solving strategies. Congress De Black Box Geopend, Rotterdam, Netherlands.

Lambert, M. J. (March, 2007). **Invited Presentation.** Managing psychotherapy outcomes using the OQ-Analyst. University of Utah, Counseling Center, Salt Lake City, UT.

Lambert, M. J. (February, 2007). **Invited Presentation.** Improving psychotherapy outcomes. Wasatch Mental Health, Provo UT.

2006

Lambert, M. J. (December, 2006). **Invited Presentation.** Psychotherapy research and outcomes management. **University of Maine**, Department of Psychology, & VA Medical Center, Togus, Orono, Maine.

Lambert, M. J. (December, 2006). **Keynote Address:** Using outcome measurement to direct patient care. Joint Commission for Accreditations of Hospitals Conference on Behavioral Health, Chicago, Illinois.

Lambert, M. J. (October, 2006). **Discussant:** Panel on therapist effects on patient outcome. North American Chapter, Society for Psychotherapy Research. Burr Oaks, Ohio.

Bailey, R., Shimokawa, K., Slade, K., Smart, D., Lambert, M. J. (October, 2006). Helping the Failing Client: A Pilot Study of an Abbreviated Clinical Support Measure. North American Chapter, Society for Psychotherapy Research, Burr Oaks, Ohio.

Lambert, M. J. (September, 2006). **Invited Presentation:** Evidence-based Assessment: Applications to psychotherapy. **Michigan Psychological Association**, Wayne State University, Detroit, Michigan.

Lambert, M. J. (September, 2006). **Invited Presentation:** Improving the effects of psychotherapy. Psychiatry Best Practices Committee, Kaiser Permanente, Berkeley, CA.

Lambert, M. J. (September, 2006). **Invited Presentation:** Should monitoring treatment progress be a part of routine patient care? Oslo, School of Medicine, Institute of Psychiatry, Oslo, Norway.

Lambert, M. J. (July, 2006). **Invited Presentation:** Making Treatment Count. **Queensland University of Technology**, Brisbane, Australia.

Lambert, M. J. (July, 2006). **Invited Presentation:** Measuring patient outcomes to manage quality of care. Australian Mental Health Outcomes Classification Network, New South Wales **Institute of Psychiatry**, Melbourne, Australia.

Lambert, M. J. (July, 2006). **Invited Presentation:** Preventing treatment failure and enhancing outcomes through the use of feedback and clinical support tools. Alcohol and Drug Foundation, Brisbane, Australia.

Lambert, M. J. (July, 2006). **Keynote Address:** Giving feedback to treatment providers: Can we improve outcomes for addiction treatment? 2006 Australian Winter School, Brisbane, Australia.

Lambert, M. J. (July, 2006). **Invited Presentation. Macquarie University** Department of Psychology Colloquium, Sydney, Australia.

Lambert, M. J. (June, 2006). **Presidential Address:** A program of research aimed at improving patient care in routine practice: What we have learned from a decade of research. Meetings of the Society for Psychotherapy Research, Edinburgh, Scotland.

Lambert, M. J. (June, 2006). Discussant: Preventing relapse and recurrence in depressive disorders. Meetings of the Society for Psychotherapy Research, Edinburgh, Scotland.

Slade, K., Harmon, C., Lambert, M. J., Smart, D., Nielsen, S., & Okiishi, J. (2006). Immediate-computer assisted feedback. Meetings of the Society for Psychotherapy Research, Edinburgh, Scotland.

Chesley, G., Okiishi, J., Vermeersch, D. Lambert, M. J. (2006). Validation of a social support measure used for improving outcomes of deteriorating patients. Meetings of the Society for Psychotherapy Research, Edinburgh, Scotland.

Okiishi, J., Lambert, M. J., Harmon, C., & Slade, K. (2006). A comparison of the effects of novice versus experienced therapists treating patient at risk for deterioration. Meetings of the Society for Psychotherapy Research, Edinburgh, Scotland.

Nielsen, S., Lambert, M.J., Harmon, C. Slade, K. (2006). Is there really a dose-response relationship? Implications for practice and social policy. Meetings of the Society for Psychotherapy Research, Edinburgh, Scotland.

Lambert, M. J. (April, 2006). **Invited Keynote Address and Workshop.** Fourteenth Northern California Regional Psychiatry Conference, Kaiser Permanente, San Francisco, CA

Lambert, M. J. (April, 2006). **Colloquium Presentation.** Department of Psychology, **Syracuse University**, Syracuse, NY

Lambert, M. J. (April, 2006). **Invited Presentation. State University of New York, Upstate Medical University**, Department of Psychiatry, NY

Lambert, M. J. (April, 2006). **Invited Presentation.** Syracuse Veterans Administration Medical Center, Syracuse, NY

Lambert, M. J. (March, 2006). **Master Lecture. California Psychological Association.** San Francisco, CA

Lambert, M. J. (March, 2006). **Invited Keynote Address.** Recent Developments in research on the effectiveness of psychological interventions. Experimental Psychopathology Symposium. **University of Amsterdam**, Amsterdam, NL

Lambert, M. J. (Feb., 2006). **Invited Workshop** on preventing treatment failure. Presented at the International Addictions Conference (ICATB-11). Santa Fe, New Mexico.

Lambert, M. J. (January, 2006). **Invited Keynote Address.** Four methods of improving treatment outcomes: Implications for the treatment of addictions. Presented at the International addictions conference (ICATB-11). Santa Fe, New Mexico.

2005

Lambert, M. J. (December, 2005). **Invited Panel Presentation.** Let us demand evidence-based practices: But let us also ask if this treatment is working for this patient. Presented to the Newport Group. Newport, CA.

Lambert, M. J. (November, 2005). **Saint Louis University, Department of Psychology Colloquium.** Using information technology to improve psychotherapy outcome. St Louis, MO.

Lambert, M. J. (November, 2005). **Keynote Address.** Measuring patient outcomes. Presented at Improving Patient Health Care Conference, Boston, MA.

Lambert, M. J. (October, 2005). **Keynote Address.** Psychotherapists' inability to recognize negative treatment response and what to do about it: A research-based approach. Presented at the meetings of the New Zealand College of Clinical Psychologists. Christchurch, New Zealand.

Lambert, M. J. (October, 2005). Systematic measurement of patient treatment response: Implications for couple and family therapy. Paper presented at the 63rd Annual Conference of the American Association for Marriage and Family Therapy. Kansas City, Missouri.

Lambert, M. J. (September, 2005). **Invited Workshop.** Using the OQ-Analyst and clinical support tools to enhance psychotherapy outcome. Sponsored by the Griffith Psychological Health Research Centre. Brisbane, Australia.

Lambert, M. J. (September, 2005). **Griffith University, Psychology Department Colloquium.** New research paradigms in Psychotherapy. Brisbane, Australia.

Lambert, M. J. (September, 2005). **Invited presentation.** Status and perspectives of behavior therapy: An international perspective. Presented to the German Society of Behavior Therapy. Frankfurt, Germany.

Lambert, M. J. (August, 2005). **Keynote Address.** Best practices do not make for best outcomes: It is time for clinicians to make use of expected treatment response to guide therapy interventions. IV World Congress of Psychotherapy. Buenos Aires, Argentina.

Lambert, M. J. (August, 2005). Discussant of symposium. Evidence from real practice: Effectiveness research and clinical implications. Presented at the Annual Meetings of the American Psychological Association. Washington, DC.

Lambert, M. J. (August, 2005). **Invited symposium.** What is the proper focus of evidence-based practice in psychotherapy? Five contenders. The place of the relationship. Presented at the annual Meetings of the American Psychological Association. Washington, DC.

Harmon S. C., Lambert, M. J., et al. (June, 2005). Outcome enhancement for non-responding clients: a controlled test of patient and therapist feedback on weekly progress, therapeutic alliance, motivation, & social support on session allocation and outcome. Presented at the meetings of the Society for Psychotherapy Research. Montreal, Canada.

Lambert, M. J. (June, 2005). Discussant. The implementation of outcome monitoring into clinical practice: Communicating feedback to therapists. Presented at the meetings of the Society for Psychotherapy Research. Montreal, Canada.

Lambert, M. J. (June, 2005). Evidence-based practices in mental health: A discussion of the APA policy and process. Presented at the meetings of the Society for Psychotherapy Research. Montreal, Canada.

Lambert, M. J., & Harmon, S. C. (May, 2005). **Invited Workshop**. Using clinical support tools to enhance psychotherapy outcome. Presented to British LDS Social Services. Solihull, England.

Lambert, M. J. (May, 2005). **Invited Address**. Research that makes a difference: Preventing negative treatment effects via measuring, monitoring, and feedback. Eleventh Annual British Association for Counselling and Psychotherapy. Nottingham, England.

Lambert, M. J. (May, 2005). **Invited Address**. Using empirically-based decision support for enhancing treatment outcome. Presented to the Society for Exploration of Psychotherapy Integration, Toronto, Canada

Lambert, M. J. & Burlingame, G. M. (April, 2005). **Invited Address**. New directions for maximizing positive patient outcomes. Presented to Blue-cross Blue Shield of Boston. Boston, MA.

Lambert, M.J., & Burlingame, G. M. (April, 2005). **Invited Address**. Tools for measuring outcome. Presented at The Newport Group Bi-annual Conference. Newport Beach, CA.

Lambert, M. J. (March, 2005). **Invited Address**. Evaluating the effectiveness of psychotherapy training and supervision: A research workshop. Presented to the Clinical Psychology Department, University of Coventry and the Counselling & Psychotherapy Programme, University of Leicester. Leicester England.

Lambert, M. J. (March, 2005). **Invited Plenary Address**. The surprising failure of clinicians to predict patient deterioration and the confirmed effects of feedback for improving psychotherapy outcomes. Presented at the joint European and United Kingdom Chapters of the Society of Psychotherapy Research, Lausanne, Switzerland.

Lambert, M. J. (March, 2005). **Invited Address**. As part of -- "Evidence-based practice: Strategies for State Advocacy." American Psychological Association sponsored State Psychology Leadership Conference. Washington, DC

Lambert, M. J. (February, 2005). **Invited Address**. The therapeutic effects of providing client progress information to patients and therapists: A new paradigm for managed behavioral health. Presented at The World Research Group Healthcare Quality Conference, Phoenix, AZ

2004

Lambert, M. J. (December, 2004). **Invited Presentation.** The implications of psychotherapy research for effective practice: Methods for evidence-based practice. Presented to Psychiatry Ground Rounds, University of Texas School of Medicine-San Antonio, TX.

Lambert, M. J. (December, 2004). **Invited workshop.** Becoming an empirically-validated psychotherapist: The value of applying patient-focused research in psychotherapy practice. Presented to the Bexar County Psychological Association and University of Incarnate Word, San Antonio, TX.

Lambert, M. J. (November, 2004). **Keynote Address.** Overview of the research evidence on the effects of psychotherapy. Opening ceremony European Congress of Psychotherapy. Amsterdam, Netherlands.

Lambert, M. J. (November, 2004). **Invited Presentation.** Methods for improving the effects of psychotherapy. European Congress of Psychotherapy. Amsterdam, Netherlands.

Lambert, M. J. (November, 2004). Symposium Chair. The status of empirically supported psychotherapy. Meetings of the North American Society for Psychotherapy Research. Zion Park, Utah.

Lambert, M. J., Slade, K., Shimokawa K., Christopherson, C. Reid, R., Nelson, R., Hopper, K., Dachil, T., Erekson, D., Harris, B., Despain, A, Beckstead, Z., Swift, J., Archer, A., & Harmon, C. (November, 2004). Symposium with five papers. Using clinical support/decision tools to enhance outcome in treatment nonresponders. Meetings of the North American Society for Psychotherapy Research. Zion Park, Utah.

Harmon, C., Slade, K., Lambert, M. J., & Smart, D. (November, 2004). Paper presentation. Using clinical support tools to decrease patient deterioration: A clinical trial. Paper presented at the Meetings of the North American Society for Psychotherapy Research. Zion Park, Utah.

Lambert, M. J. (October, 2004). **Keynote Address.** Presented at the Griffith Psychological Health Research Centre Conference, Tamborine Mountain, Australia.

Lambert, M. J. (October, 2004). **Keynote Address.** Clinical College of the Australian Psychological Society, Sydney Australia.

Lambert, M. J. (October, 2004). **Colloquium.** Presented to the Department of Psychology, Griffith University, Brisbane, Australia.

Lambert, M. J. (October, 2004) **Invited Workshop.** Presented to members of the Clinical College of the Australian Psychological Society, Sydney Australia.

Lambert, M. J. (October, 2004). **Invited Address**. Department of Psychology Colloquium, Australian Catholic University, Brisbane (Banyo), Australia.

Lambert, M. J. (September, 2004). **Keynote Address**. Empirical methods for enhancing psychotherapy outcome. Presented at the First Annual Meeting of the Australian Society for Psychotherapy Research. Brisbane, Australia.

Lambert, M. J. (September, 2004). **Invited Colloquium**, Department of Psychology Queensland University of Technology, Brisbane, Australia.

Lambert, M. J. (September, 2004). **Invited Address**. Department of Psychology and New Zealand Psychological Association. Palmerston North, New Zealand.

Lambert, M. J. (June, 2004). **Invited Colloquium**. Findings from the empirical study of psychotherapy and directions for future research. Lecture presented to the Department of Psychology, University of Berne. Berne, Switzerland.

Lambert, M. J. (June, 2004). Panel Discussant. Psychotherapy training and supervision. Meetings of the Society for Psychotherapy Research, Rome, Italy.

Vermeersch, D. A., Brown, G. S., & Lambert, M. J. (June, 2004). Supershrinks and pseudoshinks: Differences between more and less effective psychotherapists. Poster presented at the Meetings of the Society for Psychotherapy Research, Rome, Italy.

Harmon, C., Lambert, M.J., Smart, D. M., Nielsen, S. L., & Hawkins, E. J. (June,2004). Patient-focused research: Using client feedback to decrease client deterioration. Poster presented at the Meetings of the Society for Psychotherapy Research, Rome, Italy.

Lambert, M. J. (June, 2004). Panel Discussant. Cost-offset and cost effectiveness of outpatient psychotherapy. Meetings of the Society for Psychotherapy Research, Rome, Italy.

Lambert, M. J. (June, 2004). Paper in a panel. Defining psychotherapy from a research perspective. Presented at the meetings of the Society for Psychotherapy Research, Rome, Italy.

Lambert, M. J. (July, 2004). **Keynote Address**. Psychotherapy Research and its implications for practice. Presented at the joint congress of the Swiss Psychiatric and Psychological Associations, Berne, Switzerland.

Lambert, M.J. (May,2004). **Invited Address**: Predicting and preventing treatment failure in routine care. Presented at the National Managed Health Care Congress. Washington DC.

Lambert, M. J. (April, 2004). **Invited keynote Address**: Moving towards the statistical generation of expected recovery: Implications for practice. Presented at the Ohio meetings of the Society for Psychotherapy Research, University of Ohio, Athens, OH

Lambert, M. J. (March, 2004). **Invited Workshop:** Prevention of treatment failure and methods of maximizing treatment success in difficult to treat patients. Presented to the Montana State Psychological Association, Billings, Montana.

Lambert, M. J. (February, 2004) **Invited Address:** The unexpected positive effects of measuring, monitoring and feeding back progress information to patients and therapists. Presented to the Faculty and students of the Department of Psychology, Loma Linda School of Medicine, Loma Linda, CA.

2003

Lambert, M. J. (November, 2003). **Invited Paper:** The use of evidence-based clinical support tools for improving psychotherapy outcome in the failing case. Presented at the semi-annual meetings of the North American Society for Psychotherapy Research, Newport, RI.

Lambert, M. J. (August, 2003). Symposium Discussant. Using empirical data to inform clinical decision making. American Psychological Association, Toronto, Canada.
