Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Upon petition, students already admitted to the program may have requirements waived for a limited set of courses (typically a maximum of 3 to 4 courses) completed at another institution. Clinical skill courses are not eligible for waiving and must be completed as part of the program. General core courses are those most commonly waived, based on documentation that the previously completed course is of similar content and rigor to the course requested for waiving.
