

Telephone

You will have a campus telephone for your office. It has a variety of functions that you can use.

How to Use

Go to this website to learn how to use the different functions: [BYU Campus Phone](#)

Long Distance Calls

For making long distance calls, you have a code to use. After dialing 1 and then the person's phone number, you will hear a couple of beeps. After those beeps, type in your long-distance code.
