

Mentoring/Volunteer Agreements

Sometimes we have faculty that want to work with other people including students but do not necessarily have the funds to pay them or the person does not want the payment. Therefore, we allow those people to fill out a mentor and/or volunteer agreement so that they can work with the faculty member.

1. To find the agreement forms, follow these links:

You can also retrieve these by going to the Psychology website (psychology.byu.edu) under the "Forms & Applications" tab.
