

# Card Access

If you or your research assistants need to access the 12th floor in the KMBL and/or certain labs on the 11th floor with your BYU ID card, you (or your RA's) will need to fill out the form at the following link: [Card Access Form](#)

When we receive a student's request for access, we will send an email to you to get your approval. Please be prompt in replying to these because we won't request access until we receive your permission.

This form can also be found on the Psychology website ([psychology.byu.edu](http://psychology.byu.edu)) by clicking on the "Forms & Applications" tab:

The screenshot shows the top navigation bar of the BYU Psychology website. The 'FORMS & APPLICATIONS' tab is highlighted with a red box and a red arrow pointing to it. Below the navigation bar is a large banner image of a cityscape at sunset with the text 'FORMS & APPLICATIONS' overlaid. Below the banner is a list of links:
